WORK EXPERIENCE

Bank of India – *Apprentice Trainee*

JUN 2025 - PRESENT

- Assisting customers with account opening, handling customer inquiries, processing transactions, performing clerical duties, and learning about banking products and procedures.
- Shadowing experienced staff to understand their roles and responsibilities.
- Gaining practical experience in a real-world banking environment under the guidance of experienced staffs.

Atikin Verse (Hybrid) - *Frontend Developer Intern*

OCT 2024 - DEC 2024

- Utilized frontend expertise to create visually appealing and user-friendly interfaces.
- Worked closely with designers to translate designs into functional and interactive web pages.

PROJECTS

Weather App - [Live Link](#) [GitHub Link](#)

FEB 2024

- Built an interactive weather web app that displays real time weather information of the city by using HTML5, CSS3, JavaScript, and Weather API.
- Users can see real-time weather conditions, current temperature with max & min temp. of the day, pollution AQI, rainfall, wind speed & wind direction, and local date & time of the city.
- It is responsive across the various screens such as Mobile, Tablet, and Desktop.

Portfolio Website - [Live Link](#) [GitHub Link](#)

JAN 2024

- Built an impressive portfolio website to display my personal web projects by using HTML5, CSS3, and JavaScript.
- Added contact functionality to contact me by email.
- It is responsive across the various screens such as Mobile, Tablet, and Desktop.
